INTRODUCTION

These documents comprise the **Administrative Record** for the Yeoman Creek Landfill Site. An index of the documents in the **Administrative Record** is located at the front of the first volume along with a **sampling/data index**, **guidance index** and an acronym guide used by EPA Agency Staff in selecting a response action at the site.

The **Administrative Record** is also available for public review at EPA Region V - Record Center, 77 West Jackson, 7th Floor, Chicago, Illinois 60604. Questions concerning the **Administrative Record** should be addressed to the U.S.EPA Waste Management Division Records Manager.

The **Administrative Record** is required by the Comprehensive Environmental Response, Compensation, and Liability Act (CERCLA), as amended by the Superfund Amendments and Reauthorization Act (SARA).
